STUDENT SUPPORT SCHEME APPLICATION

GUIDANCE NOTES

Eligibility

The scheme is open to receive applications from students (and trainees) of all ages undertaking vocational study/training in agricultural and allied land-based subjects.

Preference will be given to applications received from persons normally resident within the usual catchment area of the Gillingham & Shaftesbury Show (which includes substantial parts of the counties of Dorset, Wiltshire and Somerset).

Applications may be made for financial help with any element/aspect of the applicant's study/training (awards will normally be subject to an upper limit of £1500). Only one application is permitted per applicant per 12 month period.

Shortlisted applicants may be invited to speak with a Member of the Student Support Fund Committee to fully understand the merits of the application.

All successful awards shall be conditional upon the applicant agreeing to repay, in full or in part, any funds not utilised for the purposes awarded. Such condition may, for example, be invoked if an applicant fails to gain a place on their chosen course of study/ training or fails to maintain that place for its full duration.

Personal Statement

Please set out in this part of the form (or on a separate sheet if preferred) an explanation of why you are applying for support from this scheme. Your statement should be brief and succinct. It should include details of the course/training you are already or planning to become engaged in. It should include details of how much funding you are seeking and how you would use such funds to support your study/training.

Personal Achievements to date

In this part of the form we are interested in learning what you have already achieved. We envisage you will tell us not only about your educational attainments, but also about other successes (e.g., through YFC or other youth groups, vocational training achievements etc.).

Do you have any existing connection with the Gillingham & Shaftesbury Show?

Please tell us about any connection you already have with the Gillingham & Shaftesbury Show. Have you ever attended before? If so in what capacity - Visitor? Worked on a Trade Stand? Competed?

Please provide contact details of one referee who knows you from a school/college/employment context (e.g., a teacher/lecturer/employer); and a second referee who knows you best in a personal context (e.g., a close family friend). We ask that you seek the permission of the referees to include their details on your application before submitting it to us. By completing this application form you are giving us your permission to share the details of your application with them.
