3 rd	£2

Unfortunately due to the ongoing concerns over Avian Flu it has not been possible to attempt to run a show with live birds this year.

We plan to run the egg show the same as in 2022 and please note the extended number of classes that can be entered.

Please also note that there is an intention to be able to run an exhibition and sale of birds but from one source (where all birds will have been kept for at least the previous 7 days). At the time of sending this the details have not been finalized however if you have birds that you would like to consider selling then please send me an email and we can discuss whether or not they can be included in the sale section (if taken to that site at least 7 days beforehand).

The decision from before continues in that adult entrants that either enter a minimum of 6 classes and make a payment of at least £10 will be eligible for an adult ticket. A junior entering must enter at least 3 classes and make a payment of at least £5 resulting in 1 adult and 1 child ticket being allocated.

Please be specific as to how many tickets you are expecting and any additional tickets required can be paid for with the entries at the early bird rate of £15 per adult and £3 per under 16 child.

If you have any questions please email Paul Tory at pjt@fowlerfortescue.co.uk or call on 07730 527202
