

Terms & Conditions for Trade Stands

Exhibitors are advised to read carefully the following Trade Stand Rules, Terms and Conditions before completing their Trade Stand Application Form and to retain this sheet for future reference.

GENERAL – YOUR PITCH

1. **Application, Stand Allocation & Position** – Sites will be reserved on receipt of a completed Application Form. Payment is required to be received 6 weeks prior to trading at the Show. The Society will endeavour to site regular exhibitors on the same pitch as in previous years, providing the application is received by 1st May 2024, this is not always possible. New exhibitors will be sited in position to suit the existing layout. The Shows word is final on all locations and applications. All trade stands must attend on both days of the show.
2. **Trading** – Trade Stands are required to be open and manned on both days of the Gillingham & Shaftesbury Show. Failure to turn up for both days may result in being banned from future Shows including the Spring Countryside Show.
3. **Stand positions** – The Show has the right to move any trade stand. The Show Organisers decision is final on stand location.
4. **Catering** – Sale of food and drink is forbidden, apart from those situated in the Food & Drink Area. No other exhibitors are permitted to sell food or drinks without written permission. Catering and Fast-Food sites are let by tender, details from the Organiser. All catering operations and any trade stand offering hospitality must comply with Food Safety legislation.
5. **Charities** – A limited number of sites are offered to local registered charities at a reduced rate, Charity Registration numbers must be included on the application form and will be checked with the Charity Commissioners.
6. **Exclusivity and Franchises** – The Society does not operate to any exclusivity or franchise restrictions, but to ensure the best selection of stands, the Society reserves the right to limit the number of traders offering similar products.
7. **Games of Chance, Auctions, Leaflets and Demonstrations** – Distribution of leaflets is not allowed outside of your stand area. No Auctions, Raffles or Tombola are permitted without written permission from the Organiser, which must be displayed. Demonstrations of small appliances, tools etc. will not be allowed. No exhibitor may call attention to his goods in such a manner to cause annoyance to other exhibitors or to the public, sales by Auction, Dutch Auction, Shouting, the use of amplification equipment or other unsuitable behaviour is prohibited. Anyone breaking this rule is liable to expulsion from the Show.
8. **Identification & Data Protection** – All exhibitors must clearly display on the stand, their Trading Name and Address. The details from the application forms will be retained on computer in the Show Office, but such data will not be passed on to other data banks. The name and address of every exhibitor will be printed in full in the Show Catalogue unless otherwise requested.
9. **Insurance** – All exhibitors must provide the Society with a copy of their PUBLIC LIABILITY INSURANCE POLICY. Exhibitors are advised to check that their insurance adequately covers the activities of their stand in respect of cover for loss, damage & public liability whilst taking part in the Show.
10. **Liability** – The Society accepts no responsibility for damage or loss to Trade Stands, equipment or vehicles on the Show Ground, nor will the Society accept responsibility for injury to exhibitors, staff and guests. Exhibitors are responsible for conforming with Health & Safety Act requirements and to the Society's Safety Policy Statement

33. **LPG** – All LPG cylinders must be located outside the marquee/tent in the open air on firm level ground and secured in the vertical position away from any unauthorised interference, preferably caged. Butane cylinders may be stored in the operating area providing that they are situated next to the appliance but away from any heat source, waste or other combustible materials, – spare cylinders, if required, should be stored in a secure area outside. Where LPG/Butane cylinders are being used a powder fire extinguisher should be provided by the exhibitor. Cylinders must not be sited next to emergency exits. All gas cylinders must be suitably maintained, and hoses should be secured using crimped compression fittings. Where required appliances should have flame supervision devices fitted. Please seek advice from your Gas Safe Engineer. All appliances used on trade stands should have an annual Gas Safe Inspection. Documentation should be available on site. The Society reserve the right to audit this documentation and to refuse the use of unsafe equipment. The connection of appliances to the LPG gas supply should be carried out by a competent person, a trained member of staff who can recognise if the connection is faulty or damaged is acceptable.
34. **Machinery Demonstrations** – Adequate precautions must be taken to protect the operator and spectators; only competent operators are allowed to use machinery. The Show Organiser must be informed and authorise any machinery demonstrations. Any machinery knives, blades spikes and other sharp or protruding edges must be guarded to prevent contact (vintage displays must be within their own protected area). Hydraulically supported equipment must be mechanically supported to prevent failure – this includes machinery with built in safety fail safe systems.
35. **Risk Assessment** – All trade stands are required to submit a suitable and sufficient risk assessment which should include activities involved in the set-up, operation and break down of their site and COVID-19 control measures that will be implemented throughout. Gillingham & Shaftesbury Agricultural Society

reserve the right to refuse entry to the Show if the risk assessment is not submitted or if the risk assessment does not cover the activities being carried out by the trade stand. It is the responsibility of the trade stand to take competent health and safety advice on its activities where required.

36. **Smoking** – Smoking, including electronic cigarettes is not permitted in any marquee or other structure erected for use on the showground including toilets and grandstands. Smoking is also not permitted in any areas where animal bedding is stored. If smoking, please ensure you dispose of cigarette ends safely and without causing litter or the potential for ignition.
37. **Third Party Contractors** – Exhibitors are responsible for ensuring that they employ competent contractors who work in accordance with health and safety legislation. Please ensure that third party contractors are aware that enforcement officers may be present on site and that they or the Society's Health and Safety Adviser may request copies of their risk assessments/method statements.
38. **Vehicles** – The speed limit is 5mph. Please take care if reversing the showground gets very busy during set up and there may be children on site. Please note that the use of handheld mobile phones whilst driving on site is strictly forbidden.

On show days there is NO EXHIBITOR VEHICLE MOVEMENT between 08:00 and 18:30. Please be aware that livestock do leave the site at 15:00 however this is via their own dedicated exit gate and no exhibitors will be permitted to use this route. Vehicles will not be permitted onto the site from the car parks until 18:30 or at the Show Secretary/Organisers discretion. If you have HGV vehicles it would greatly assist the Show if these did not arrive until after 19:00.
39. **Working at Height** - All working at height must be carried out using the appropriate methods and equipment in accordance with the Working at Height Regulations 2005. It is the responsibility of the exhibitor to ensure suitable and sufficient risk assessment of working at height and to ensure that any person including their third-party contractors are competent to carry out work at height. Walking on the tops of tents and marquees without appropriate safety equipment is not permitted on the Show site. Working from the top of vans, climbing on chairs and tables is not acceptable and will be stopped when observed. The Society reserves the right to stop any work which it deems to be unsafe
40. **Welfare** – Toilet facilities will be provided on the days of the Show and enhanced cleaning will be in operation. The Showground will provide sanitiser stations around the Showground and hand washing stations around the Showground for Trade Stands to use. Trade stands should remember that after 5 uses hand washing should be used to remove the build-up of hand sanitiser on the skin. It is the Trade Stands responsibility to play their part in providing a safe environment for visitors and others by adhering to the Government guidelines. The Trade Stand must ensure distancing on their stand arrangements should also include queuing arrangements where applicable. While the Show will provide useful information prior to the Show, Traders familiarise themselves with current Government Guidance prior to attending the Show.
